## DANCING TO FOLLOW BALANCED PROGRAM

Event To Be Fitting Close of Junior Week; Tickets Selling Fast, Insuring Representative George Washington Audience.

Carrying the greatest variety of music ever attempted by a George Washington representation, the University Glee Club will be the final feature of what has been the most successful week of jollification in the history of the school. Tomorrow night in the Raleigh Hotel ballroom the annual concert of the George Washington Glee Club will be held as a fitting close for this greatest of Junior Weeks. Tickets are going fast and the ballroom bids fair to hold the most representative G. W. audience it has ever held. An added attraction for the evening will be the dance immediately following the concert.

The program is as follows:

1. Invictus..... Huhn Glee Club
2. Down the Trail to Home, Sweet Home..... Ball Glee Club Quartet
3. Wake, Miss Lindy..... Warner Glee Club
4. Banjo Solo..... Selected J. R. Dewitt
5. Sunrise and You..... Preston Haynes
6. The Mulligan Musketeers..... Atkinson Glee Club
7. Caprice Viennoise..... Kreisler Harry Sokolov
8. To G. W. U..... King-Smith Glee Club

The last-named piece is a new University song written by the director of the Glee Club, August King-Smith. Mr. King-Smith has worked hard to develop the Glee Club, and its success will be largely due to his efforts. Under the urgent need of an all-University song, Mr. King-Smith has written the words and music to this new song, which will receive its first public appearance tomorrow night. Its catchy air and stirring words promise to make it an immediate favorite.

The men upon whom Mr. King-Smith will rely to make the evening a success are:

First tenors—R. H. Anderton, B. H. Corbin, Charles H. Birmingham, Thomas J. Davis, Preston Haynes, Frank M. Hand.

## "MEXICO: OLD AND NEW" IS SUBJECT OF LECTURE

Architecture and Dress of People Discussed in Illustrated Lecture to Spanish Club.

"Mexico: Old and New" was the topic of an illustrated lecture delivered by Mrs. Talbot, of the Board of Education of New York city, at the meeting of El Circulo Espanol February 16. Mrs. Talbot, who is an authority on Mexican subjects, having studied the country for more than 35 years, and who has traveled extensively through the country, talked very interestingly and entertainingly about the industries and resources of Mexico and the customs and dress of the people. In this connection she showed the picture of a Mexican bride and groom, the bride in

Each of the two points he made were even present-day ideals. The first, "Although we can not have the opportunity for service that he had, we can emulate his clean character."

The second, speaking of the wish of George Washington to build a national university in the capital of the nation, "Let us devote ourselves to the program of building in Washington a great national institution of learning, to which students from all states could come."

## UNIVERSITY STARTLED AT APPEARANCE OF

# RAZZBERRY

Humorous and Satirically Critical Paper Published by Gamma Tau Zeta.

The Razzberry, humorous publication published for the first time by Gamma Tau Zeta, honorary journalistic fraternity, made its appearance at the Junior reception tendered by the Junior Class of George Washington University. The paper became the feature of the reception, discussions pro and con ensuing from every side.

It again appeared in front of Lisner Hall several times Thursday night, and at the Junior Prom at Ranscher's on Thursday night. The price of the paper is ten cents, and any student or interested person who has not obtained a copy may, according to members, do so by sending his name, address, and ten cents in an envelope addressed to "The Razzberry, 2023 G Street NW."

The principal feature of The Razzberry is the story written from an interview with W. Graham Fly, president of the Freshman Class of Columbian College, stating his reasons for advocating the institution of the compulsory tax system in George Washington. Another interesting story is the raiding of a fraternity house by a patrol of policemen, and depicts very interestingly the status of the men upon the entrance of the "cops" and the results.

According to members interviewed by a reporter from The Hatchet, a very serious typographical error was made in the "Endowment Drive" article, as it was intended by Gamma Tau Zeta that a place and date be given at the beginning, such as "Lisner Hall, 2023 G St. NW., February 22, 2009."

Another mistake was made by one of the members in typing "copy" for "The Berry Advocates." Article number 8 should have read "Revolution in Student government, making student managers, captains of athletic teams, and editors of the Student Activity publications regular members of the Student Council."

"The Razzberry may be termed as constructive criticism of the interests and activities of George Washington University," stated a member of the fraternity to The Hatchet reporter. "It has endeavored to eliminate all personal prejudices that may have been fostered by any of the members in the writing of the articles, and its intention is not to knock things around the University, but to humorously and perhaps satirically bring to light those things of unusual interest to the student body that are about to happen or have happened during the past year."

### TO HOLD ANOTHER MIXER.

At the meeting of the Sophomore classes of the University held Friday afternoon, February 17, it was decided to hold another mixer in the Chapel on the evening of March 10. Sophomores of the Engineering School and the Pharmacy School will cooperate with those of Columbian College in making this one of the best class affairs of the school year. Arrangements will be in the hands of Nobel Johnson, chairman of the social committee of the Columbian College Sophs, and Arthur J. Rosentlund, of the finance committee. A charge of fifty cents will be levied against each sophomore in attendance, and tickets may be secured from any of the officers of the classes or from any member of the finance committee.

### MARRIAGE ANNOUNCEMENT

The marriage of L. Brooks Hays, of Fort Smith, Ark., to Miss Marion Prather, also of Arkansas, has been announced. After graduating from the academic college of the University of Arkansas, Mr. Hays entered the George Washington University Law School, and is Junior Class president.

### NOTICE TO TAX SIGNERS

In order to make the Cherry Tree a financial success and at the same time protect the management against any unnecessary outlay of expense, it has been ruled that all tax signers must pay their entire tax before their names will be placed on the subscription list. Individual orders must be paid for in advance. On March 15 all subscriptions must be paid up in full.

## JUNIOR RECEPTION IS WELL ATTENDED

Miss Josephine Houston Entertains With Several Songs; Event Proves Big Success.

Marked by an attendance of more than 700 students and members of the faculty, the informal reception to the University by the Junior Class on Wednesday at the New Willard was a highly successful function. With perhaps but one exception—the Junior Prom—it bids fair to be the outstanding feature of Junior Week. Balmy spring weather appeared to have, if any, a salutary effect on this indoor gathering. The assemblage was large and thoroughly representative of the entire University, students and faculty members from every department being present.

Dancing to the music of Crowder's orchestra started a few minutes before five and continued with but few intermissions until seven. For a half hour or more the attendance was not large, but soon the crowd from the Winter Convocation at Central High School began to arrive, and the south ballroom at the New Willard was taxed to capacity. The boys outnumbered the girls to a considerable extent, and there was much "cutting in."

Josephine Houston's rendition of the Kashmiri Love Song was received with great enthusiasm. Miss Houston then obliged with Oh, My Laddie, and the Cuckoo Song. The latter captivated her audience, and there was much very favorable comment on her singing among the groups about the spacious ballroom.

President Hodgkins, Profs. Doyle, Collier, Croissant, and Bolwell and several other members of the faculty were present.

## "HIGHER EDUCATION LEADS TO SERVICE"—PIERCE

Tells Graduating Class in Baccalaureate Sermon To Assume Own Place in World.

"Acquiring a higher education not only prepares one for the struggles of life, but carries with it an obligation for a greater service to mankind," declared Dr. Jason Noble Pierce, pastor of the First Congregational Church, in his baccalaureate sermon to the winter graduating class Sunday morning, February 19.

In a most impressive service, with the church auditorium filled to capacity for the baccalaureate sermon, Dr. Pierce, preached a most inspiring sermon on "The Challenge of Life." Dr. Pierce continued, "The challenge of life is not only to be constructive in our progress, but to be consistent. We must not only be believers and doers of the word, but teachers also. The challenge of life is to excel. No man can excel and be unrighteous, and no man can be unrighteous and excel. Education is not only to prepare one for life, but to inspire to higher things. Each one of us must assume his own place in the progress of the world."

The faculty and trustees had a large representation in the graduate procession.

The installation and initiation was followed by a dinner in honor of the national officer and visiting members at the hotel, after which the new senate was entertained by White Senate at their house.

## BETTER CONDITION AIDS BROOKLANDERS

Game at Kendall Green Weir Exhibition; Use Second Team; Woodberry Outjumps Opposing C. U. Center.

Better condition and better team work enabled the Catholic University quint to down the Hatchette five, 32-20, Wednesday evening at the Brookland gym. Woodberry played a good game at center for the Morsemen, consistently outjumping Donovan, the C. U. pivot man.

The first ten minutes of play were exceedingly close. Lynch gave the Brooklanders a 3-point lead on free tosses, only to be overtaken by the Hatchettes on a "snow bird" by Woodberry and a foul toss by Gosnell. Here the Buff and Blue went into the lead for a brief period on a 2-pointer by Gosnell and a free toss. Their lead was short lived, however, for Lynch got his eye working and dropped in four successive tosses from the 15-foot mark. Once in the lead, the Red and Black were never headed. The score at half time was 20 to 10, with the Hatchettes on the short end.

Coming back strong, the Hatchettes fought the locals to a standstill in the second half, scoring 10 points to C. U.'s 12. "Gude" Gosnell and Lynch were both in form from the free throw line, "Gude" getting 10 out of 16 and Lynch getting 14 out of 22. The game was unique in the fact that all of the baskets scored were snow birds, very few

## Enter: The Razzberry

One more publication has made its advent into the activities of George Washington University. Unhailed or heralded, its praises unsung, it strides forth in gallant array, and, like the stalwart knight of old, prepares to undergo the battle of public opinion and criticism. Fearlessly, it brings forth those questions that are of foremost interest to the University and humorously advocates or disfavors them; jokingly, it brings to light those characteristics of the favorite professors; jestingly, it produces the "scoops" secured during the year from the fraternities and sororities; playfully, it portrays the characteristics of some of the noteworthy students. Every article is constructive to the interests of George Washington University.

The Razzberry, published through the efforts of the active members of Gamma Tau Zeta, honorary journalistic fraternity of George Washington University, is only in keeping with the advancement that this University is accomplishing. In nearly every large university such a paper as this is published once every year. Every chapter of Pi Delta Epsilon, the national honorary journalistic fraternity which Gamma Tau Zeta is now petitioning, is required to produce each year a similar paper. Neither does The Razzberry attempt to build its structure upon the sand, but it has behind it a foundation of rock. The members in Gamma Tau Zeta are considered honorable men in the University, and each and every one is really working in the interests of George Washington University.

## Wrestling—A New Sport

The drama of George Washington University is developing in a manner pleasing and gratifying to everyone. While only a short time ago our cast of characters was limited to only a few activities, and those unskilled or cultured, our stage is now becoming comfortably filled and all the actors are doing as well as could be expected. We will soon have a nation-wide reputation, drawing an audience from all over the United States. A new sport is being added to the list of activities this year in the form of wrestling. Although our wrestlers did not make such a grand showing in their first meet against Gallaudet last Saturday, they did evidence enthusiasm. The greatest task has been accomplished in the institution of the sport. Carrying it on next year and in years to come should bring about its betterment and heighten its standing as an athletic activity.

## Does your P.M. schedule read like this?

If your burning ambition is to excel as an all-around society man, you couldn't have planned your evenings better. Such persistence will win out over the indolence of the rank and file, for as the poet says,

"The heights by great men reached and kept  
Were not attained by sudden flight,  
But they while their companions slept  
Were toiling upward in the night."

But if you intend to make your mark in engineering or business, don't expect that supremacy on the waxed floor will help when you start hunting a job.

Not that you need swing to the other extreme as a "grind" or a hermit. Let's concede it is all right to minor in sociabilities—but certainly it is only common sense to major in the math and sciences and English that will mean bread and butter to you later on.

Remember this—the harder you work right now in getting a grip on fundamentals, the easier things will come to you when you must solve still bigger problems. And if you take it easy now—well, look out for the law of compensation.

It's up to you. While you've got the chance, seize it, dig in, plug hard. It will pay—in cold cash.

## HATCHETITE GRAPPLERS DOWNED BY GALLAUDET

May Scores Only G. W. Win by Pinning Cherry to Mat in 3 Minutes.

Gallaudet College wrestlers revenged the defeat suffered by the Kendall Greeners on the basketball court Friday, February 17, by earning three of the four mat bouts with the Hatchetites, following the floor encounter.

Hundley, George Washington's entry in the 128-pound class, forfeited to Orman, after nine minutes of strenuous work. In the 150-pound event E. S. May scored the Hatchetites' only victory by pinning Cherry to the mat in three minutes and forty-one seconds with a scissors hold.

Jones, of Gallaudet, scored a victory in five and a half minutes over Corbin in the 160-pound match with a headlock hold. In the final bout Rose, Gallaudet's 165-pounder, upset Tyler in five minutes.

## G. W. DRIBBLERS DOWN GALLAUDET AND V. M. I.

(Continued from page one.)

pot shots being taken. The results of C. U.'s clever passing are shown in the fact that they fired at the net 47 times and connected 9 times, while the Hatchetites banged away 57 times and only located the hoop 5 times.

C. U. Positions. G. W. U. Yeager, R. F. Gosnell; Fasco, L. F. Chesney; Donovan, C. Woodberry; Lynch, R. G. Daily; Lawlor, L. G. Hughes. Substitutions: Eberts for Yeager; Corwin for Lawlor; Bracklow for Chesney; Hyde for Hughes. Goals from floor—Yeager (3), Fasco, Donovan (3), Lynch, Lawlor, Gosnell, Chesney, Woodberry (2), Daily. Goals from foul—Lynch (14 out of 22), Gosnell (10 out of 16). Referee—Mr. Schlosser. Umpire—Mr. Fitzgerald. Periods—20-minute halves.

Coming from behind, the Hatchetites showed enough "stuff" to defeat the Virginia Military Institute team, 31-20, last Tuesday night in the last game on the home floor. The substitution of Woodberry for Altrup in the second half was chiefly responsible for the win, for he speeded up the play of the locals to a great degree.

The game was, on the whole, loosely played, but filled with thrills, as the majority of the shots were long "pot" shots. The first half was all V. M. I. With Gosnell off form at the 15-foot mark, the Flying Cadets were able to pile up a 16-9 lead at half time.

Four foul tosses by "Gude" and a 2-pointer by Woodberry tied the score for the Hatchetites. Once in the lead, the local quint was never headed. Gosnell's work at the freedom line and long shots contributed by Gosnell, Daily and Hyde gave the G. W. dribblers a comfortable margin. So tight was the guarding of the Morsemen in the second half that the Virginians were able to score only one field goal.

The work of Gosnell at forward, Woodberry at center and Hyde, who had been substituted for Hughes, at guard were the features of the contest. Another feature of the game was the fact that both teams tried for the basket exactly 50 times, the Hatchetites connecting 9 times and the Cadets netting the leather 7 times.

G. W. U. Positions. V. M. I. Bracklow, L. F. Kyle; Gosnell, R. F. Campbell; Altrup, C. Summers; Hughes, L. G. Shannon; Daily, R. G. Ryder.

Substitutions: George Washington, Chesney for Bracklow; Hyde for Hughes; Woodberry for Altrup; Grove for Chesney; V. M. I. Drewry for Summers; Summers for Drewry; Saunders for Kyle; Semons for Saunders; Gray for Shannon. Field goals—Gosnell (4), Hyde, Daily (2), Woodberry (2), Kyle, Campbell (4), Summers, Ryder. Goals from foul—Gosnell (18 out of 26), Altrup (missed 1), Campbell (6 in 11), Shannon (1 in 4). Time of halves—20 minutes each. Referee—Hughes. Umpire—Fitzgerald.

In a weird exhibition of basketball resembling at times wrestling combined with football, the Hatchetites without the services of several regulars downed the Gallaudets at Kendall Green Friday evening, February 17, 34-30. For the first time this year the opposing team scored first, the Silents counting 5 points before Bracklow dropped one through the hoop.

Gosnell received rough treatment which made it necessary for him to be taken from the game. However, this did not prevent him from turning in a capable exhibition of basketball, especially at the 15-foot line, getting 7 out of 9. Bracklow was easily the best on the offensive, counting five times, while Hyde, the diminutive guard, and Altrup were good on the defensive, breaking up many of the Kendall Greeners' plays. Altrup also turned in an exceptionally fine record at the foul line, counting five times out of six chances.

G. W. Positions. Gallaudet. Gosnell, R. F. Seipp; Bracklow, L. F. Wallace; Altrup, C. Baynes; Hyde, R. G. LaFountain; Grove, L. F. Bradley. Substitutions: Chesney for Gosnell, Daily for Grove, Gosnell for Altrup, Boatwright for Baynes, Baynes for Boatwright, Boatwright for Seipp. Field goals—Gosnell, Bracklow (5), Chesney (3), Altrup (2), Seipp (4), Baynes, LaFountain (2), Boatwright (5). Foul goals—Gosnell (7 out of 9), Altrup (6 out of 6), Bradley (6 out of 14). Referee—Hughes.

## GIRLS LOSE TWO TILTS; PLAN TRIP TO PHILA.

Two visiting teams were met by the local girl basketball Saturday night, February 19, at Central High gym, the visitors taking back with them the laurels of both games. Despite the fact that the G. W. U. girls were in good trim and keyed up for victory, the Fredericksburg State Normal School defeated the local varsity by a score of 49-17, and in turn the Y. W. C. A. team from Baltimore scored 46-6 over the Reserves.

In the first game the Broddus quarter of Fredericksburg ran their score up till victory was theirs. Umbeck, of the local varsity, scored two goals, leading the Buff and Blue co-eds in goal t-owing.

The second game, while interesting, did not serve as many thrills as its predecessor. Again Umbeck scored for G. W., and on the Baltimore side the score was made chiefly by Jacobs and Babcock.

Baltimore. Position. G. W. U. Adams, R. G. Jones; Bailey, L. G. Hastings; Bamiskol, S. C. Lewis; Meyers, S. C. Gullford; a-obs, R. F. Eckert; Babcock, L. F. Referee—Miss Spaulding.

The next game will be played February 25, when the varsity is scheduled to meet Gallaudet at Central High gym. The girls have planned a trip to Philadelphia, where they will play Temple College March 1, University of Pennsylvania March 2 and Swarthmore March 3.

Swimming as a sport and a part of the school activities will be discontinued for the season, the Board of Managers voted at a meeting February 1, 1922. This matter was resultant of a series of letters from Horace Young, manager of swimming, asking for more appropriations to make the sport a success. From Young's outline of the needs of the swimming team for financial aid the board decided it best to discontinue the sport altogether. The material ready now to make a good team will be here next year, and it is hoped that then swimming will be made a major sport with sufficient financial support to make it a success.

## TRAVELERS HOLD SMOKER.

The smoker held at the Travelers Fraternity on Saturday evening, February 11, for all Masons of the University, both students and faculty, was pronounced a real success by all who came. Messrs. Daniel H. Sibbett and James S. Topham, of the Acacia Alumni Association, and Prof. John R. Lapham, of the College of Engineering, were among those present. Mr. Edwin White, Jr., made a short talk of immediate interest to the University. A recurrence of the Travelers smoker was urged by several of the guests as a regular affair following the semester examinations.

## GRADUATE GIVES BOOKS.

Mr. Walter E. Barton, graduate of the 1914 class of the Law School, has presented the Law Library of the University with a copy of the Federal Income Tax Laws. This volume, correlated and annotated by Mr. Barton with the assistance of Mr. Carroll W. Browning, will be a valuable addition to the Law School collection.

Whatever it is that afflicts Congress, it would be fine if our speed maniacs could catch it.—Harrisburg Patriot News.

## GOING SLOW.

The two men were adrift in an open boat and it looked bad for them. Finally one of them, frightened, began to pray. "O Lord," he prayed, "I've broken most of Thy commandments. I've been a hard drinker, but if my life is spared now I'll promise Thee never again—" "Wait a minute, Jack," said his friend, "don't go too far. I think I see a sail."—Ladies' Home Journal.

# SENIOR CLASS SELECTS KAYSER AS ITS PATRON

Genial Secretary To Be Formally In-  
stalled in New Office Soon.

Announcement is made today of the  
selection of Elmer Louis Kayser, Sec-  
retary of the University, as permanent  
patron of the senior class of Colum-  
bian College. Mr. Kayser will be for-  
mally installed at some function of the  
class in the near future, according to  
J. Foster Hagan, chairman of the so-  
cial committee, who is handling the  
matter for the class.

The position of permanent patron is  
a new one around the University. The  
creation of such a position is an ex-  
ample of the policy of the senior class  
to institute as many innovations of a  
helpful character as possible. Mr.  
Kayser's selection was based on the  
fact that he has shown unusual inter-  
est in the activities of the class, be-  
sides a general interest in student ac-  
tivities.

The new patron is an honor gradu-  
ate of the Western High School of the  
class of 1914, after a successful career  
in the activities of the school. He  
took his A. B. and bachelor's diploma  
in education at the University in 1917  
and received his master of arts degree  
the following June. Mr. Kayser was  
assistant in history from 1914 to 1917,  
chief assistant in the library 1917-18,  
and recorder in 1918. He was appoint-  
ed instructor in history in 1917 and  
made assistant professor in 1919. He  
has served as Secretary of the Univer-  
sity since 1918.

The class of 1922 will form a perma-  
nent organization, according to officers  
of the class, and will retain Mr. Kay-  
ser as its patron for such times as the  
class may hold reunions and affairs of  
a similar nature.

# G. W. LAW GRAD. BECOMES MEMBER OF NOTED FIRM

The law department of George  
Washington University was recently  
highly honored when one of its former  
students, Newton C. Reavis, was ad-  
mitted to the staff of Root, Clark,  
Buckner and Howland, 31 Nassau  
Street, New York city. This is per-  
haps the leading law firm of the Uni-  
ted States and its staff is very carefully  
selected. Almost without exception,  
its members are graduates of the Har-  
vard Law School.

# LAST YEAR'S CHAMPIONS LEAD INTERFRAT LEAGUE

(Continued from page one.)  
In the first game the Theta Deltis  
had to give all they had to gain the vic-  
tory. The work of Fisher at guard for  
the winners and Hough for the losers  
featured the game.

On Monday evening the S. P. E. five  
was outclassed by the clever and  
faster Theta Delt quint. Roberts and  
Vidmer, forwards for the winners, and  
Hatcher and Butler for the losers were  
the best players.

**S. A. E. Takes Close One.**  
Sigma Alpha Epsilon, runner-up to  
Theta Delta Chi for the championship  
last year, were forced to the limit to  
nose out Kappa Sigma, 22-20, at the  
Coliseum Sunday morning. Spears, of  
the losers, was the individual star of  
the game, while Pease and Stevens  
played well for the winners.

**Kappa Sig Loses.**  
On Monday evening at the Palace  
gym the bigger and heavier Kappa Sig-  
ma five were unable to stop the smaller  
and faster Phi Sigma Kappa dribblers  
and were trimmed to the tune of 30-7.  
Rutley was the star of the contest,  
scoring 14 of his team's 20 points.  
Shorty Spears did all of the scoring  
for Kappa Sig.

**Medics Downed.**  
Delta Tau Delta quint trounced the  
Phi Chi Medical School courtmen last  
Thursday evening at the Palace gym,  
18-8. The game was slow and both  
teams missed many easy shots. The  
work of Nichols at forward for Delta  
Tau Delta was easily the feature of the  
contest, as he led the scoring with five  
goals from the floor. Potter played  
well for the losers.

# DEAN WILBUR PLANS TO "OFFICIALIZE" CHAPEL

Announcement was made recently  
by Dean Wilbur that if attendance  
after midyears warranted such a step  
his Wednesday chapel service would  
be "officialized," and outside speakers  
invited by the University from time to  
time. This was made in the nature of  
a challenge to the student body.

The brief chapel on Monday, Wed-  
nesday and Friday is, except for convo-  
cation, the only and the nearest ap-  
proach to an all-University assembly  
at George Washington. Attendance  
and interest this year have been  
steadily on the increase. Indications  
are that many student organizations,  
as well as individual students, will  
come out to back Dean Wilbur in his  
new plans for the Wednesday chapel.

# "MEXICO: OLD AND NEW" IS SUBJECT OF LECTURE

(Continued from page one.)  
her beautifully embroidered gown, with  
the enormous headdress, and the  
groom, barefoot, with, as Mrs. Talbott  
told it, "a hat for which he had paid  
more than \$20 and a suit which cost  
him all of \$1.98." She also showed  
views of the magnificent buildings of  
today, as well as of the architecture  
of the early Mexico, who, as she said,  
"built better than they knew."  
Alonso Perales, a member of El Cir-  
culo Espanol, upon whose invitation  
Mrs. Talbott spoke, gave a compre-  
hensive resume of the history of Mexico,  
speaking in Spanish so clearly and dis-  
tinctly that he was very easily under-  
stood. As Mr. Perales said, regarding  
Mrs. Talbott's lecture, those who did  
not attend the meeting certainly  
missed a talk which would have re-  
ceived an entirely new idea of the  
country, which has heretofore been  
considered as a hotbed of revolution.
